

Ocean Engineering Scholarships & Awards

Raymond McAllister Scholarship

Academic Scholarship offered in the fall to:

- 2 students with the highest GPA's/SAT scores among entering freshmen-\$250/ea for 2004-5

-2 students with the highest GPA among entering transfer students-\$250/ea for 2004-5

Denys Akhurst Ocean Engineering Scholarship

Academic Scholarship from an endowed fund awarded during fall student welcome event to an entering OE junior with the highest FAU GPA (Based on completion of and performance in Fundamentals of Engineering, Calculus I, II, III, Eng Graphics, C for Engineers, Chem I & Physics I and III, Statics, Intro to Logic Design, Diff Eq) -\$600

Ocean Engineering Award

Academic award offered in Spring '05 for most advancement of FAU GPA - \$500 for 2004-5

(Based on completion of and performance in Dynamics, Vibrations, Fluids I, OE Lab, Thermodynamics, Strength of Materials, Acoustics I, Structural Analysis I, Data Analysis, Circuits or equivalent, Electronics I or equivalent, Materials I, Marine Topics, Fabrication of OE systems, Engineering Math II, Oceanography coursework)

Charles Stephan Award

Faculty award offered for excellence in academic achievement at Spring graduation: - \$1,000 each for 2004-2005

1. Highest Undergraduate GPA/other (e.g. 80% Overall GPA, 20% for achievement in Senior Design Project)
2. Highest Graduate GPA/other (e.g. 70% Overall GPA, 30% for achievement in Thesis work)

William Tessin Award

Student-recognized leadership award offered during spring graduation (Personal qualities 50%, Practical Abilities 25%, GPA 25%, - needs senior status) - \$500 for 2004-05.

SNAME Scholarship

Academic Scholarship awarded by SNAME to three SNAME student members enrolled in Ocean Engineering with the highest overall GPA's- \$1,000/each

Ocean Engineering McAllister Loan - a no-interest loan based on financial need)

STEP and other College-wide Opportunities

University-wide Scholarships
